It was voted that in the case of students who have been campused since Monday, January 24, or who become campused during the last week of the first semester, they shall have their campusing extended for two weeks into the second semester.

The Committee on Rules and Discipline submitted the following recommendation, which was adopted:-

1. Attendance upon seven eighths of the recitations and exercises of each course is required to secure credit for that course.
2. After ten absences, excused or unexcused, in a five period course, eight in a four period course, six in a three period course, or four in a two period course, a student's parents or guardian will be notified. The totals here stated are for each semester.
3. In case a student exceeds the number of absences mentioned above, he can secure credit for the course only by doing special work assigned by a committee of the faculty. Application to avail oneself of this opportunity may be made to the Faculty through the Dean.

Meeting adjourned at 4:40.

Berkeley Blackman  
Sec. to the Faculty.
